Description

Here we have a tall, slender antique pine dresser, with a glazed top cupboard and an attractive arched crown. The glazed double doors also have an arched shape at the top, and open up onto two shelves. The base section has two small drawers, each with the original brass drop handles, over a double door cupboard with a single shelf inside. There is a nice size work surface. It dates from 1910 and is in excellent condition for its age. It is a two piece dresser, meaning the top separates from the base, making delivery and access easier. It has recently been stripped to the bare wood ready for waxing or painting. The price includes our professional wax polishing service. If you would like us to paint it for you then please contact us for a quote. Height 81", width 40", depth 18"
