Description

Beautifully made with each tier in satinwood with ebony and purple-heart bandings. The turned supports are also inlaid with purple-heart and ebony and have ebonized and gilt brass capitals supported by brass castors and topped of with pineapple finials, the top tier also has a brass gallery. In very good, sympathetically restored and retaining all its original elements. 850mm high, 660mm wide and 400mm deep. Circa 1870 Lambs of Manchester were a renowned cabinet making firm, founded by James Lamb. He was a Manchester cabinetmaker who started in the mid Victorian era. James Lamb was born in 1816, he joined the family business and turned it into a high class interior design, decorating and furnishing firm. The firm had a cabinet making workshop in Castleford and their main gallery in John Dalton Street, Manchester, with vast furniture showrooms over three floors showing their quality pieces for sale. The firm was to go onto international success winning medals at the London 1862 Exhibition and the Paris 1867 Exhibition.
