Description

Good quality late Victorian cast iron stick stand with an ornate scrolling base and reeded upright column. A very decorative piece and a nice small size. There has been some repair work around the base of the upright (see photo) and also one of the small scrolls on the base has broken off but it is of course priced accordingly and it doesn't really detract from what is a lovely stand. The best description comes from the photos so please look at them all carefully and if you have any questions at all please ask. Nationwide delivery £25.
