## Description

Antique early Victorian mahogany low open bookcase with two shaped drawers on the top. There are two shelves & bold side panels with carved corbels. This piece is in good condition & dates from around the 1840-60's period. It's a strong looking piece of furniture & very good quality. I think it would be quite useful for placing a large TV screen on top, so it's quite versatile. Width - 54.3", 138 cm Depth - 15.3", 39 cm Height - 35.5", 90 cm
