Description

Here we have for sale an antique pine children's wardrobe, or it could also be used as a large storage cupboard. Dating from 1910 and in very nice condition ready for waxing or painting having recently been stripped to the bare wood. There is some nice detail with vertical columns running down the sides of the double panelled doors and one running along the bottom of the doors too. There is a full width drawer at the bottom with the lovely, original, brass drop handles. There are currently shelves inside the wardrobe as it was previously used as a linen cupboard. These can be taken out and replaced with a new brass hanging rail if you wish to use it as a child's wardrobe - please let us know of your requirements.
