Description

Antique gun metal Cyma pocket watch. The watch has a Swiss stem-winding movement which is working well. The movement is signed with the Cyma name and Swiss made, and there is a protective inner hinged cover. The watch measures 49mm diameter excluding the winding stem and the loop. The case has a light surface marking from use mainly to the back but overall is in good condition for its age. The watch glass has some light surface scratches from use although very acceptable. The white enamel dial is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
