Description

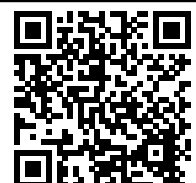

Pretty as a picture, this antique English box is made from solid sterling silver with a full hallmark for Birmingham 1910, so Edwardian in era. The makers mark is also present for the well renowned silversmith, Levi and Salaman. The base and lid have a pretty beaded border and the domed lid smothered with the prettiest guilloché enamel in pink and white with gold miniature scrolls (there is one of the tiny scroll slightly out of place, not damage but underneath the surface from manufacture, shown purely for accuracy).
