Carved Baroque cherub

Price

Sold

Item Reference: SA500843

Date of manufacture: 18th Century

Dimensions

Height = 41 cm (16.1")

Width = 28 cm (11.0")

Depth = 12 cm (4.7")

Description

A charming carved Baroque cherub holding wheat sheaves depicted as 'Summer', One of the four seasons. The figure bares the original polychrome and is well carved. There are some losses to the fingers and there also appears to be a restoration to the toes on the right foot. The cherub is fixed and mounted onto a lovely molded oak base. The overall height of the figure on the stand is 66.5 cm. Measurements below are of actual figure size.
