Description

A very nice looking antique pine Danish kitchen cupboard, with an attractive top - in a tea caddy shape. It is tall and slender and would slot in nicely to most kitchen/utility/boot rooms. Dating from 1910 and in excellent condition throughout - these particular Danish cupboards are hard to come across especially in such good condition as this one. There is a drawer at the bottom and three shelves inside the cupboard. Recently stripped to the bare wood, it is now ready for waxing or painting. A very nice storage piece that would also work well in a bedroom or bathroom. Height 65", width 30", depth 16.5"
