Description

Early 19th century mahogany wheel barometer by Abraham of Bath with an 8" silvered register, a thermometer, an hygrometer and a level, in a black-and-white boxwood-strung case. Jacob Abraham, described as an important maker, worked at several addresses in Bath from 1805 to 1841. John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where we hold an Open Weekend every November. Open 9.00am – 5.00pm, Tuesday to Friday, 10.00am - 4.00pm on Saturday. A prior phone call or email before visiting is always a good idea and we are happy to be contacted outside of business hours.
