Description

A Charming Large French Crystal and Brass 9 Branch Chandelier This is an excellent quality and opulent piece, the Rococo style scrolling brass has a gilded finish, it twists with an entwined leaf decoration, the chandelier has 9 branches in a lower circle which is set off with another layer of three above. The arms are hung with faceted crystal tear drop pendants and brass sconces, the light hangs on the original decorative chain and ceiling rose. There are numerous large crystal drops hanging from the brass, the light is in working condition and looks dazzling when alight, the wiring seems to be recent but due to the great weight of the piece it will need to be hung by an experienced electrician. The chandelier is 28" in diameter and 34" high. HT157 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days.
