Description

Here we have a large, very interesting, antique pine boot room storage unit, which would also work very well in a bedroom storing clothes etc... There are four glazed doors at the very top, then below is an open centre (work space) with two small drawers. Either side of the centre are long narrow cupboards, for hanging clothes/coats. Finally in the bottom centre section there is a further two drawers and double door cupboard. There is plenty of storage space in this piece! - you can tidy everything away. A very good feature about this particular unit, is the fact it totally dismantles for delivery. Each section comes away from the other - there are 5 pieces in total. Dating from 1930, in excellent condition throughout. Stripped to the bare wood, ready for waxing or painting. Price in the bare wood £800 Price including our professional wax polishing service £927 If you would like us to paint it for you, please contact us for a quote. Height 79.5", width 74.5", depth 24"
