Description

Large antique 1906 Waltham pocket watch. The watch has a 17 jewel stem-winding movement, grade 825, which is working nicely. The movement is fully signed and the serial number 15312203 dates it back to 1906. The watch itself measures 53.7mm diameter excluding the winding stem and the loop. The case is gold filled and is the Fortune model made by the and was made by the American Watch Case Co. The case has a screw on front and back. The case is in nice condition with only the odd small "ding" / light wear to the outer edge. The plastic lens is in nice condition. The dial has a couple of faint hairline cracks although hardly noticeable to the naked eye. The watch has its original blued steel hands. The watch will be sent in a new presentation box. Price includes worldwide postage.
