Description

A 1930s Limit pocket watch with chain. The watch has a Swiss stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated. It has some gentle unevenness to the back and some surface marking but overall very acceptable for a 1930s piece. The watch glass is in good condition. The dial is in lovely condition. A good sized subsidiary seconds dial and an outer minute track. The watch has a double albert with each chain measuring 20cm long including the T-bar and the clasp. The watch and chain will be sent in a new presentation box. Free worldwide shipping
