Description

These are one of the nicest pairs of antique Swedish armchairs I've ever had. They are elegant & very stylish. The satin birch frames have a lovely grain & a warm colour. These armchairs have just come over from Sweden, been polished & re-upholstered in a neutral coloured fabric. They are fully sprung & very comfortable. I would date them to around the 1890-1910 period. Width - 24.5", 62 cm Depth - 26", 66 cm Height - 35", 89 cm Seat height - 17.5", 44 cm
