Description

1930s boxed Roskopf Patent hunter pocket watch with papers. The watch has a signed stem-winding movement which is working nicely. The movement is protected by an inner lens so that it can be viewed. The watch itself measures 45mm diameter excluding the winding stem and the loop. The full hunter case is in lovely condition. It is signed on the front with the Roskopf Patent logo while the back of the watch has details of medals won at trade exhibitions. The winding crown presses in to open the front cover. Inside there is a watch glass which is in good condition. The signed white dial is also in lovely condition, and has pin set hands and an outer minute track. The watch comes with a Roskopf leaflet warning of imitation watches and instructions. Also included is the original Roskopf presentation box with the logo to the lid... the box is tatty but still good to have. Free worldwide shipping
