Description

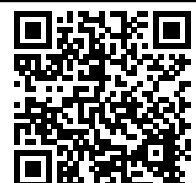

Hamley's Real Stone Block Junior Building Set, Boxed A very rare find indeed and in such good condition, the set comes in its original Hamley's Golden Oak box, the box has brass carrying handles. Inside the box has 3 removable trays and mostly there are at least 2 layers of blocks in each tray. We estimate there are over 200 building blocks in the set, the blocks are in cotswold stone in 2 light shades and in a dark slate colour, the blocks come in many shapes and sizes and there are also some unused painted card roofs and wooden joists. The most wonderful birthday or Christmas gift for a very special child or budding builder. The box is 5" high, 20" long and 12" deep back to front.
