Description

An exquisite solid silver chatelaine mirror. Superb embossed design to the silver back featuring flora and fauna and a neat little loop to the end of the handle for attachment. The mirror frame is plain polished silver and the handle on the mirror side is beautifully 'art nouveau' to match the other side. Clear hallmarks are visible (see images) for the Birmingham Assay Office with a date mark for 1912. The Lion Passant indicating sterling silver is also clear along with the maker's marks for Crisford & Norris. A superb mirror, wonderful proportions; sublime art nouveau! Condition: This mirror is in great antique condition. There is a very slight impression in the handle commensurate with the age of the item, hardly noticeable! Hallmarks & maker's marks: Birmingham 1912 by Crisford & Norris. Measurements Length: 7.4 cm approx. Width at widest part: 3.8 cm approx. Weight: 6.89 grams approx
