Description

A real stunner of a trumps marker, quite scarce, I have just had one similar recently .. for the first time; I was delighted to find one similar. The natural shell with it's iridescence forms a dish which sits upon the solid or sterling silver base which is hallmarked for the highly collectible Chester assay office and the year 1921. The hallmark also includes the makers initials R P for Robert Pringle & Sons. All celluloid cards are complete including "No Trumps". Excellent condition standing 3 3/4" high with the shell measuring 3 3/4" wide. Item ID: 31148
