Price

Sold

Item Reference: SA505244

Date of manufacture: 18th Century

Dimensions

Height = 124 cm (48.8")

Width = 62 cm (24.4")

Depth = 27 cm (10.6")

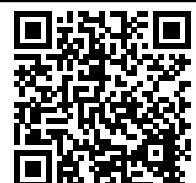

Description

A large pair of Baroque opera figures depicting a woman playing the violin and a man singing. Carved from pitch pine these figures would have originally been polychromed, there are a few areas left with traces of the polychrome. I think being musically themed these would have most certainly originated from an opera house. As you would expect the figures have had a few old repairs, however the condition of both is excellent and they have a lovely patina.
