Description

A very decorative set of Four Queen Anne Style / Fiddle Back Walnut Chairs. Each chair has foliate decoration all along the top crest rail. This continues along the seat side rails, the front cabriole legs and stretchers below, all with traditionally pegged joints. The drop-in seats are newly upholstered in a light hessian material. This set has been thoroughly checked, cleaned and re-waxed in our workshops. There is a little minor historic worm evidence that has been treated and has long since gone. There is evidence of previous restoration / re-colouring to one back splat, where the veneer is missing. In superb condition overall.
