Description

A charming Victorian pine kitchen farmhouse sideboard which is of a smaller size with one cupboard and three drawers. It is excellent condition for its age and has recently been stripped to the bare wood exposing a lovely clean natural state. The door has an attractive wavy edged panel that mimics the wavy edged plinth below. Again, the original brass drop handles compliment the design of this piece. Inside the cupboard there is currently one half depth shelf, but we can replace this with a full depth shelf and any extra shelving if needed. Height 32.5", width 46.5", depth 18"
