Description

A lovely old English Victorian farmhouse Prep table / side table. Dating from 1880, in good condition for its age. Very attractive turned legs and three small drawers with glass knobs. The top has a lot of charm and character, with age related markings. It has recently been stripped to the bare wood exposing a lovely tone. You can buy it as seen here, in its bare natural state, or we can wax polish it for you. Being a preparation table it belongs at the edge of a kitchen / room, so has square corners at the back and rounded corners to the front. It also is a lower height than a dining table, allowing you to stand and prepare food etc.... These old tables also work well as console tables in a hall or landing. Price in the bare wood £450 Price including our professional wax polishing service £527 If you would like us to paint it for you, please contact us for a quote. Height 30", length 65", width 26"
