Description

A rare set of four 19th Century Italian mirrors with their original mirror plates. These beautifully patinated mirror plates (see detail photos) are surrounded by painted and parcel gilt frames with carved scroll and foliate borders. The antique mirrors are in good condition, there are some minor blemishes and imperfections to the frames as you might expect with antique pieces, this only adds to the character and charm. The mirrors are roughly the same size, there are minor variations in size, listed in the measurements.
