Description

A superb 19th Century ovoid ginger jar and cover, painted with officials and their horsemen, peasants, buildings, blossoming prunus and rocks. The circular bands are in under glazed blue. The cover has a charming garden scene with a noble attended by a servant and additional under glazed blue circles. The colours are especially striking, iron red, greens, orange and yellow contrast well with the clear white glaze. The condition of the vase and cover is very good, no chips or cracks and a good even glaze. The jar stands well on the carved hardwood stand with cabriole legs. A wonderful example of a 19th Century Chinese ginger jar, and stylish addition to any room. c1870 Height with stand: 15" (39cm) Height without stand: 10.75" (27cm) Diameter of base: 5.75" (14cm) Diameter of stand: 9" (23cm)
