Description

A handsome antique Georgian mahogany open armchair or desk chair. In a Chippendale influenced design the carved back splat above a drop in seat standing on square chamfered legs united by cross stretchers. It has curved arm rests and a comfortable seat. It has been newly re-covered over the existing foam seat. This chair would have started life as a single chair – the arms having been added at a later date to create a carver chair. There are visible screws at the back behind the arms. Nonetheless and attractive and functional piece. Construction/Wood: Mahogany Condition Report: Solid and sturdy with wear and marks commensurate with age. Newly recovered. This chair would have started life as a single chair – the arms having been added at a later date. This is visible in the screw holes from the back. Dimensions: Width: 56cm Depth: 55cm Height to seat: 45cm Height to Arms: 70cm Overall Height: 94cm
