Description

This antique Victorian mahogany chest of drawers has much smaller proportions than the usual models that were made at that time, so please double check the measurements. It's also of fine quality, with a solid mahogany top, rounded corners, turned mahogany bun handles & locks on all the drawers. This chest has a lovely warm original colour & lots of character. It's also free of any warps or splits & the drawers work well. The bottom drawer is extra deep because it's attached to the plinth base. This chest of drawers is in excellent original condition & dates to around the 1860-80's period. Width - 36", 92 cm Depth - 16", 41 cm Height - 36", 92 cm
