A rare pair of early carved oak religious figures of saints

Price

Sold

Item Reference: SA507206

Date of manufacture: 19th Century

Dimensions

Height = 44 cm (17.3")

Width = 25 cm (9.8")

Depth = 17 cm (6.7")

Description

A rare pair of early carved oak religious figures of saints. These highly decorative pieces are well carved with good detail and patination. They have been produced out of one solid piece of timber and are in good condition with a dry finish with a good colour variation and age related shrinkage cracking. It is difficult to be precise on their age, but we feel they are 19th century and could be much older.
