

SA50727

Charming Carved Irish Bog Oak Antique Thimble Holder - Owl - Glass Eyes

Price

Sold**Item Reference: SA50727****Date of manufacture: 1890**

Description

An absolutely charming carved figural Victorian thimble holder to add to your sewing collection. Originally purchased as a souvenir, this one is engraved Blarney, which is a village in the south of Ireland, home of the famous Blarney Stone. The sweet little owl retains its original glass eyes which are undamaged. The top houses the little brass thimble, which fits just perfectly. Excellent condition measuring 1 7/8" in height. Item ID: 31190

Internal Ref: 31190
