Description

Good quality and very neat size c19th mahogany 2 over 2 chest of drawers with Prince of Wales feathers and inlay. Useful little chest of drawers, being slightly narrower than the average, but with good size drawers for storage. The drawers are all finished with beaded edging, mother of pearl escutcheons and original handles and are dovetailed...the bottom two drawer locks I do have a working key for too. Lovely patina from age and use, there are marks throughout the chest, but nothing major and nothing you wouldn't expect. The condition is good and solid. It would sit well as a decorative chest for display too, due to the smaller size. Measuring: 32 3/4" / 83cm high, 36 3/4" / 93cm wide, 18" / 45.5cm deep. Can be collected from me here in Uppingham, Rutland...or I can easily arrange delivery for around £65 to most England, Scotland and Wales addresses, but please send me your postcode to confirm.
