Description

A good quality pine chest of drawers dating from the late 19th Century. Good condition and very well made with a smooth waxed finish. The drawers run well and it a clean sturdy set with brass plate handles. There are the usual minor signs of wear and a few small splits and a small chip on the edge of one drawer but nothing detrimental and they display beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Free local delivery within 10 miles of Ashburton. London £50.
