Early 18th century chest of drawers

Price

Sold

Item Reference: SA507815

Date of manufacture: 18th Century

Dimensions

Height = 82 cm (32.3")

Width = 90 cm (35.4")

Depth = 60 cm (23.6")

Description

A fine early 18th century paneled back chest of drawers. Made from oak this chest is of heavy construction and a well made country piece. The drawers would have had turned knobs originally and thus the brass handles are later, however they do sit well with the rich patina. The top right drawer pan has been replaced, overall the condition is excellent.
