Description

Lovely William and Mary style drop front bureau, but of a neat / small proportion, circa 1860. As a stand alone decor piece, this works very well and has such nice proportions, but can of course, be used as intended, with the fall front opening to reveal four drawers, a small cupboard door section and pigeon holes. Below, there are two full width drawers, oak lined. There is a leather writing surface. There is a band of inlay running throughout the bureau and the walnut has a good colour and depth to it. Turned legs with a decorative stretcher and bun feet. Measuring: 38" / 97cm high 24" / 60cm wide 16" / 41cm deep. I can arrange delivery to most England, Wales and Scotland addresses for around £65, but please send your postcode if you are coastal or remote as it could be more...or you are very welcome to come and view / collect from me in Uppingham, Rutland.
