Description

Good example of an early 20th Century Cricket Table of traditional form with three legs, a circular pine top and oak legs with a shelf below. It is in good original condition with a wonderful patina. There are some minor signs of use and age but no major damages and it is a solid sturdy piece. The top has a slight warp but it isn't detrimental and adds a nice bit of character. It has been lightly waxed to retain its aged patina and it is ready for use.
