Description

A Limit No 2 pocket watch for British Rail (Midlands). The watch has a signed Swiss stem-winding movement which is working nicely. The watch measures 53mm diameter excluding the winding stem and the loop. The case is nickel and it has a screw-on front and back, a good sign of quality. The case back is engraved for British Rail (Midlands). Overall the case is in good condition with one small "ding" to the back and general surface marks, nothing serious at all. The watch glass is in good condition. The dial is in lovely condition with blued steel hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box.
