Description

A quite stunning top-notch pair of solid or sterling silver napkin rings, good thick gauge with an excellent weight. The rims are beautifully decorated with an attractive cast border and further enhanced with an elegant line engraving around the ring. Each is hallmarked for Sheffield 1898 making this a true antique pair and remaining in their original Victorian presentation box. Very stylish, excellent quality and condition and would make a wonderful gift. Each ring has a width measuring 1 1/4" and each with a diameter of 1 7/8"; the box measures 5 1/4" x 3" x 2 1/2" to top of dome. Free from engraved initials and could be personalized if desired.
