Description

Pair of antique crystal cut glass table lamps in good original condition. They sit on gilt bronze bases & have other gilt bronze features. The original gilt has basically all been lost over the years. They could be re-gilded, but I kind of like them as they are. I would date these lamps to around the 1910-20's period. Width - 4?, 10 cm Depth - 4?, 10 cm Height - 11?, 28 cm
