Price

Sold

Item Reference: SA509611

Date of manufacture: 19th Century

Dimensions

Height = 247 cm (97.2")

Width = 78 cm (30.7")

Depth = 64 cm (25.2")

Description

A large 19th century heavily carved Gothic cabinet of excellent quality with fine crisp carving. The cabinet breaks into three sections and has a top and bottom cupboard, the top having a glass shelf with carved paneled back and mirrored top. This would make a great cabinet of curiosities! There are two small pieces of carving missing but overall condition is excellent.
