Description

A lovely Victorian pine cupboard with three internal sliding drawers, typical of linen cupboards. It has two large panelled doors with wooden knobs and sits on a nicely shaped plinth base. It is possible the cupboard would have once sat on top of a set of drawers to make a larger cupboard but it has certainly been on a base in its current form for a long time. It is in good condition. It has been cleaned and given a smooth waxed finish, retaining its lovely aged patina. The shelves inside are clean and tidy and they slide in and out well. The outer of the linen cupboard is generally clean and in good original condition. There are some minor signs of age and use and some general small knocks and marks but nothing detrimental and it is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
