Description

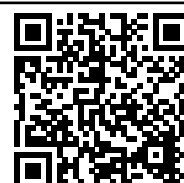

Set of 8 Gothic Oak Dining Chairs by Gillow This is a superb quality heavy weight set of Dining chairs by Gillows. The set has 2 carver and 6 single chairs, they are upholstered in Dark Red Leather with brass studs decorating the high arched back and the edge around the seat. The chairs have carved baluster legs and they are fully stretchered to make them sturdy. The high backs are padded and the seats are sprung making this a very comfortable set, just the thing for a long family dinner. All the chairs are very sound with no loose joints or breaks, they are very good quality and have been well looked after, the turnings of one of the carver chairs is slightly different to the others, but it is a good match. The leather is in very good condition, it has no tears or serious scuffs just a few signs of day to day use. The carver chairs are 43" high at the back, they are 23" across the front, the singles are 41" high and 19" wide across, seats are 19" high.
