Description

This antique leather Camel was probably bought from Liberty of London in the early 20th century. It's a good size & would have been bought for a children's room. In fact a child could easily sit on it, because it's very sturdy & in good condition. The leather is a lovely colour with lots of character & it has all the details a Camel should have. The eyes are particularly nice & look like they are glass. Width - 40?, 102 cm Depth - 12?, 30 cm Height - 40?, 102 cm
