Description

A nice Staffordshire pottery pearlware bocage figure group of ram with lamb by John Walton, c.1820. Lovely fine textured detail on the animals and bocage and decorated in the round. The "Walton" ribbon is at the back and another ribbon of blue frames the seated lamb. It measures 6" high, 4" wide and 3" deep. Condition is good overall but with some loss to the top of the bocage and a small chip to the lamb's right ear. Colours are lovely and bright. The "Walton" ribbon is not as crisp as always but clearly legible.
