Description

Pair of antique French bedside chests in solid golden oak & in lovely condition. They are very good quality & they have polished panelled backs & sides. The fronts are serpentine shaped with two drawers on each & sitting on cabriole legs. These chests are wonderfully carved on the drawers, sides & around the legs. The drawer bottoms are thick solid wood. They have many nice features, so enlarge all the images. I would say they are early to mid 20th century. Width – 16.5", 42 cm Depth – 12.5", 32 cm Height – 23.6", 60 cm
