Description

A very attractive large French double pine wardrobe that dates from the mid 1800's - (c.1850) It has recently been stripped of its original paint and is now in the bare wood. As with most of our larger wardrobes, this one totally dismantles for delivery! A great feature if you have difficult access or stairway. Typical of French wardrobes of this time, it has attractive curved edges to the top and nice bracket feet. The original lock and key are in good working order. The fitting of a new brass hanging rail is included in the price. Please let us know if you'd also like a shelf. The hanging space (internal depth) is 21.5" - plenty deep enough for large coat hangers. Height 73", width 60", depth 26", internal depth 21.5"
