Description

A very low, wide, antique pine double wardrobe that dates from the mid 1800's (c.1850). In lovely condition having recently been stripped of its original paint, exposing a clean and tidy bare wood. The double doors are mounted on the attractive original external hinges, allowing them to open fully. As with most of our large wardrobes, it totally dismantles for delivery - allowing access through the most difficult of doorways and stairways. Included in the price is the fitting of a new brass hanging rail. If you would also like a shelf made and fitted please contact me to discuss this further. Height 72", width 63", depth 24.5", internal depth 21"

Internal Ref: T7403E
