Description

Outstanding Omega solid 18ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the calibre 600 17 jewels manual winding movement c1961, as you can see it is in fabulous condition. This watch was retailed by Turler of Geneva, the best in Switzerland. The harlequin dial is in superb unmarked condition having been fully restored, it changes colour in different lighting and really does stand out. It has gilt hands and baton markers. It also the Omega symbol on the crown and a genuine Omega buckle and strap. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 32mm in diameter not including the crown and is very much a dress watch, ideal for a man who prefers a smaller case or indeed a lady who prefers a larger case size. Overall this watch is in outstanding condition and highly sought a...
