Depth = 10 cm (3.9")

Description

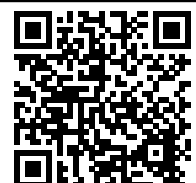

This is an incredible example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. It has a calibre 503 fully automatic movement which is just superb. The two tone dial has been fully restored so is in mint condition, it has rose gold hands and baton markers and the date facility. The heavy case measures 35mm in diameter excluding the winding crown, of course it has the Omega logo on the crown and a genuine Omega buckle. It is very rare to find this example in rose gold and is quite striking. It also comes with a presentation box and a premium quality black leather strap. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. The movement is then checked and adjusted for accurate time keeping. The cases are p...
