Description

A stunning 19th Century mahogany bow front chest of three long, graduated drawers with burr oak pilasters, raised on square tapering feet with burr oak detailing. This small proportioned antique chest is in good condition, there are some minor age cracks to the sides and top, these are shown in the photographs and are not detrimental. The gilt metal handles are exquisite and original. The drawers are very clean and run smoothly. A very unusual combination of beautifully grained mahogany, burr oak and fabulous handles make this chest very desirable, a perfect piece for any interior. c.1830 Width: 34" (86cm) Depth: 19" (48cm) Height: 35" (89cm)
