Description

This antique mahogany lamp stand is beautifully turned & the wood has a lovely patina. It's in good original condition, but will need re-wiring which we can arrange for about £35 extra. It's solid mahogany with a table top in the middle & sits on small bun feet. I would date it to around the 1890's period. It did come with the shade on it, but personally I think it's too small for the piece. Width - 14", 36 cm Height - 70.5", 179 cm
