Description

Fabulous bakelite Art Deco clock by Jaz a French clock maker to celebrate it's 70 years in business. This clock dates to the early 1980's and were made in a very limited number. This clock is in a deep red with black speckles and wonderful skyscraper shaped casing. The condition of the face is particularly good showing little to no signs of it's true age. The Bakelite case is also in excellent condition with no flaws to mention. As with all of our clocks, this is in full working order. This clock has been fitted with a Quartz movement so no winding required! We are more than sure the new owner of this clock will be delighted with it. Measurements: Height = 6" (Approx 17cm) Width = 4¾" (Approx 12cm) Depth = 3½" (Approx 9cm)
